Garner State Park

Lose yourself in the awe-inspiring beauty of the Texas Hill Country.

Enjoy spectacular views and breathtaking scenery along many miles of trails. Experience a different side of Garner State Park as you get a bird's-eye view of the Frio River and stunning geological features.

STAYING SAFE

KNOW YOUR LIMITS. Prepare for sun and heat. Wear sunscreen, insect repellent and appropriate clothing/hiking shoes.

DRINK PLENTY OF WATER. Your body quickly loses fluids when you're on the trail. Bring a quart (32 oz.) of water per hour of activity.

TELL OTHERS WHERE YOU'LL BE. If possible, avoid exploring alone. Tell someone where you are going and when you plan to return.

WEAR A HELMET. When biking, check with park HQ to match the ride to your skill level. Wear a helmet to protect yourself in case of a crash.

POTENTIALLY HARMFUL PLANTS AND ANIMALS LIVE HERE. You'll see them more easily if you stay on trails.

YOU MAY NOT BE ABLE TO CONNECT. It's a good idea to take along a cell phone and GPS unit, but don't count on them.

TRAIL ETIQUETTE

Trash your trash. Keep the park natural. Pack out all of your trash and Leave No Trace.

Leave feeding to nature. Feeding wild animals will make them sick and more likely to cause harm to people.

Take only memories and pictures. Please don't disturb or remove any of the park's plants, animals or artifacts.

Keep pets on leashes for their safety, and to protect wildlife.

Campfires are permitted only in designated rings due to potential for ground scarring and wildfires.

FOR EMERGENCIES, PLEASE CALL 9-1-1.
